

Directions to Robin's

GPS - 18°37'45.43"S 25°59'10.56" Elevation 972 m

FROM VICTORIA FALLS

- A two hour drive from Victoria Falls.
- Travelling south from Victoria Falls on the tar road A8 to Bulawayo, turn right at the Matetsi road turnoff, approximately 45 kilometres from Victoria Falls. This road is signposted "Robins Camp".
- You will now be on a graded dirt road for approx. 60 km before you come to the Nantwich Hwange National Park entrance gate where you will be asked to sign in.
- A further 12 km from the entrance gate you will arrive at Robins Camp reception and the National Parks offices where you can pay your park fees.
- You may encounter wildlife sightings along the way but also expect corrugations and some mud and puddles, depending on the time of year. Four wheel drive is not normally needed, but high clearance is advisable.

FROM BULAWAYO

- Take the Victoria Falls road A8 out of Bulawayo and pass through the town of Hwange (340km).
- Approximately 57km from Hwange, turn left onto the Matetsi Road and then follow the directions above.
- It is not recommended that you drive through the Hwange National Park, unless you are overnighing at one of the southern Hwange camps eg Verneys Camp.

FROM THE PANDAMATENGA BORDER POST, BOTSWANA

- Approximately 57 kilometres in total to Robins Camp.
- After passing through the Zimbabwe Border post, Travel east for approximately 25 kilometres on a – rough in places - jeep track then turn right at the Matetsi road T-junction and travel a further 20 kilometers where you will come to the Nantwich Hwange National Park entrance gate.
- Sign in here, then proceed another 12 kilometers to the main gate at Robins Camp where you will be required to sign in and pay national park fees.
- Wildlife sightings are possible from the border post, the first 25km require high clearance and 4x4 capabilities – especially in the wet season.

Air Charter – a 20 minute flight from Victoria Falls main airport directly to the Robins Camp airstrip which a registered graded and maintained gravel airstrip.
