

Directions from Robin's to Bumbusi

- Once you have left Zimparks Robins office car park, turn right.
- After 100m there is a sign towards “Deteema”, “Sinamatella”, “Main Camp”-keep right.
- Continue for 850m till you reach a T junction, turn left.
- Stay on the main road for 2,2km then keep left at the sign, heading towards “Chingahobe dam”, “Crocodile pools”.
- After 2,8km you will pass Crocodile Pools Hide on your left, continue straight and stay on this road for a further 8,2 km.
- You will reach a sign, keep to the left following “strictly 4wd route” and “Tshowe drive” and after 100 meters you pass through a river crossing.
- After 4,2km you will reach a split in the road, keep right.
- Continue on for 600 meters and you will come to a steep rocky river crossing.
- Once passing through the crossing, carry on straight along this road for another 5,8km, and there will be a large open plain with 3 large trees on your right.
- The road turns sharply to your left then continue along this road for a further 600 meters then keep left and cross the Bumbusi river in front of you.
- Continue on this road for a short period and you will see a “S” bend in the road passing over part of the road supported by Shale.
- After passing a large hill on your left, at 1,2km there is a fork in the road, keep right along the main road. You should start to see a large Baobab on the horizon in front of you.
- After passing through the Vlei, the road veers of to the right and after a further 700m you will arrive at Bumbusi Wilderness Camp
